E ngā mana, e ngā reo, e ngā Kārangaranga Iwi, Hapū, Whānau, Marae o te rohe o Te Wairoa, tēnā tātāu katoa.

He kupu whakataki ~ The future is not some place we are going to, it is a place we are creating. The paths are to be made and not just found. And the process of making them will change both the maker and the destination. *John.H.Schaar*

Iwi and Hapū of Te Wairoa Claims Settlement Bill – First reading, 15/3/17 ~ A great turn-out of whānau from Wairoa and Wellington for the 1<sup>st</sup> reading of the Bill at Parliament. Cut and paste the following link to see video clips of Members of Parliament commending our Bill to the Māori Affairs Select Committee. <http://tinyurl.com/lwbjw9>

Submissions on the Bill to the Māori Affairs Select Committee close on 26/04/17. We strongly urge whānau to read, commend and endorse the Bill for quick passage through the select committee process. Tātau Tātau will be running some workshops to assist whānau to make submissions (see details below). Here is the link to make a submission on-line. <http://tinyurl.com/jwa88ld>

When we know the date of the 2<sup>nd</sup> reading, we'll let you know on the Tātau Tātau Facebook and website pages (still Te Tira Whakaemi until we change it). You can contact your trustees for more details on the legislative process. It has been suggested the 3<sup>rd</sup> reading will be around August this year, but we think it is more likely to be around November or possibly early next year due to the General Election being held this year. Again, we'll let you know but suffice to say, the 3<sup>rd</sup> reading is our BIG DAY when WE ALL need to descend upon Parliament. The 3<sup>rd</sup> reading will be significant, particularly for our Kuia – Koroua, our Pakeke *e whakaaro mōteatea ana ki te hunga i mate nei i te ara haere o te kerēme, ā, ka tae-ā-wairua i ōna pae mutunga.*

	<ul style="list-style-type: none"> <li>• Engagement Ohu to transition website from Te Tira to Tātau Tātau.</li> <li>• An Engagement plan will be drafted and put to the wider Trustee group in due course.</li> <li>• Tātau Tātau will continue to send out this pānui as a summary and update of its progress, each time it meets (currently on the 3<sup>rd</sup> weekend of each month). That will be placed on our website and Facebook pages (<i>still currently Te Tira Whakaemi until we change it to Tātau Tātau</i>). Kāhui (clusters) will also receive this via their elected trustees.</li> </ul>
<p><b>3. <u>Settlement Matters</u></b></p> <p>Carwyn Jones Heta Kaukau Oha Manuel Carmen Morrell Phil Beattie Johnina Symes</p>	<p>Legislative process update:</p> <ul style="list-style-type: none"> <li>• Following the 1<sup>st</sup> reading we are now in the submissions phase which closes 26<sup>th</sup> April 2017.</li> <li>• Tātau Tātau will be holding workshops to assist whānau in making submissions on our Settlement Bill. Carwyn Jones will be leading this, with a focus on an overview of the Bill, its process through parliament to becoming an Act, why &amp; how to make a submission. Workshops are set down for the following dates: <u>Wairoa</u>, (venue t.b.c), Friday 31<sup>st</sup> March 5.30pm – 7.30pm <u>Wairoa</u>, (venue t.b.c), Saturday 1<sup>st</sup> April 10am – 12pm <u>Napier</u> (venue t.b.c), Saturday 1st April 2pm – 4pm</li> </ul>
<p><b>4. <u>Operational Services</u></b></p> <p>Darren Beatty Johnina Symes Carmen Morrell Tamati Olsen Pieri Munro</p>	<p>Operational group is setting up the administrative structure, policies, people and services (Accounting &amp; Administration) to support Tātau Tātau doing its mahi well. It's getting the operational engine room in place so Tātau Tātau might quickly assume its governance role as distinct from the management of operations/administration work.</p> <ul style="list-style-type: none"> <li>• Trustees are providing feedback to the Operational group on a Policy Manual 1<sup>st</sup> draft.</li> <li>• We are looking to advertise, recruit and appoint a Project Manager with the right skills, experience and passion. We want the best person for the role so it will be an openly contestable and advertised position.</li> </ul>

Regional Economic Development Strategies (Hawkes Bay and Tairāwhiti) ~ Tātau Tātau is observing a developing trend for the Wairoa District treated as only a fringe interest in both regional strategies where meaningful and positive outcomes or tangible results, from our perspective, is absent or difficult to see. We will engage directly with the Crown, OTS, government agencies and local government on this and also leverage a more equitable result through our SERS (Social Economic Revitalisation Strategy) in the Deed of Settlement.

Don't re-invent the Wheel, Learn quickly from others? ~ We are grateful for Richard Brooking coming home to Wairoa and sharing his wealth of experience' knowledge and wisdom with trustees. Some of us know Richard's connection with Te Wairoa through his Mum, Reverend Pare Healey *nee Munro* from Whakakī-Nui-ā-Rua. Our engagement team have more whanaunga and PSGE's who are prepared and willing to share, advise and support our success pathway ahead. *Ehara taku toa i te toa takitahi, engari ko te toa takitini.*

Nā mātau,

Tātau Tātau o Te Wairoa Trustees
