Pānui # 3 March 2017

E ngā mana, e ngā reo, e ngā Kārangaranga Iwi, Hapū, Whānau, Marae o te rohe o Te Wairoa, tēnā tātau katoa.

<u>He kupu whakataki</u> ~ The future is not some place we are going to, it is a place we are creating. The paths are to be made and not just found. And the process of making them will change both the maker and the destination. *John.H.Schaar*

Iwi and Hapū of Te Wairoa Claims Settlement Bill – First reading, 15/3/17 ~ A great turn-out of whānau from Wairoa and Wellington for the 1st reading of the Bill at Parliament. Cut and paste the following link to see video clips of Members of Parliament commending our Bill to the Māori Affairs Select Committee. http://tinyurl.com/lwbjwj9

Submissions on the Bill to the Māori Affairs Select Committee close on 26/04/17. We strongly urge whānau to read, commend and endorse the Bill for quick passage through the select committee process. Tātau Tātau will be running some workshops to assist whānau to make submissions (see details below). Here is the link to make a submission on-line. http://tinyurl.com/jwa88ld

When we know the date of the 2nd reading, we'll let you know on the Tātau Tātau Facebook and website pages (still Te Tira Whakaemi until we change it). You can contact your trustees for more details on the legislative process. It has been suggested the 3rd reading will be around August this year, but we think it is more likely to be around November or possibly early next year due to the General Election being held this year. Again, we'll let you know but suffice to say, the 3rd reading is our BIG DAY when WE ALL need to descend upon Parliament. The 3rd reading will be significant, particularly for our Kuia – Koroua, our Pakeke *e whakaaro mōteatea ana ki te hunga i mate nei i te ara haere o te kerēme, ā, ka tae-ā-wairua i ōna pae mutunga*.

<u>Key Point Summary</u> \sim Your Tātau Tātau trustees met 18/19th March in Wairoa. Over the intervening period from February each of the 4 Ohu (*refer to Pānui 2 for a description of Ohu*) completed a huge amount of scoping work. An overview of that is outlined in the following table:

1. Work Plan	The Work Plan refers to the required review of Tātau Tātau's asset ownership
Johnina Symes	and representation arrangements.
	Group identified 3 x Hui-a-lwi/Hapū over 2017:
Carwyn Jones Moana Rongo	• (June/July 2017) Consultation on principles/values and framework
Huia Huata	overview for progressing the Work Plan
Pieri Munro	(Sept 2017) Consultation on example models & options
	(October/Nov 2017) Consultation and Member Ratification
	After each of the 3 proposed hui Tātau Tātau would ingest feedback from
	the hui, undertake research and engage subject matter experts. Dates and
	venues to be advised in due course.
2. Engagement	Group engaged with key individuals and other PSGE's to gauge and learn from
<u>Plan</u>	their knowledge/experiences, what worked, what didn't, lessons learnt.
	All those approached were very willing to support the lwi and Hapū o Te
Apiata Tapine	Rohe o Te Wairoa.
Heta Kaukau Oha Manuel	• Our first invited guest speaker, Richard Brooking (Whakakī connections),
Huia Huata	former General Manager of Ngai Tāmanuhiri (2013-16) presented some
Richard Niania	invaluable lessons learnt around member engagement and their initial
Darren Beatty	vision post settlement.

	 Engagement Ohu to transition website from Te Tira to Tātau Tātau. An Engagement plan will be drafted and put to the wider Trustee group in due course. Tātau Tātau will continue to send out this pānui as a summary and update of its progress, each time it meets (currently on the 3rd weekend of each month). That will be placed on our website and Facebook pages (still currently Te Tira Whakaemi until we change it to Tātau Tātau). Kāhui (clusters) will also receive this via their elected trustees.
3. <u>Settlement</u>	Legislative process update:
Matters	• Following the 1 st reading we are now in the submissions phase which closes 26 th April 2017.
Carwyn Jones Heta Kaukau Oha Manuel Carmen Morrell Phil Beattie Johnina Symes	 Tātau Tātau will be holding workshops to assist whānau in making submissions on our Settlement Bill. Carwyn Jones will be leading this, with a focus on an overview of the Bill, its process through parliament to becoming an Act, why & how to make a submission. Workshops are set down for the following dates: Wairoa, (venue t.b.c), Friday 31st March 5.30pm – 7.30pm Wairoa, (venue t.b.c), Saturday 1st April 10am – 12pm Napier (venue t.b.c), Saturday 1st April 2pm – 4pm
4. Operational	Operational group is setting up the administrative structure, policies, people
Services Darren Beatty Johnina Symes Carmen Morrell Tamati Olsen Pieri Munro	 and services (Accounting & Administration) to support Tātau Tātau doing its mahi well. It's getting the operational engine room in place so Tātau Tātau might quickly assume its governance role as distinct from the management of operations/administration work. Trustees are providing feedback to the Operational group on a Policy Manual 1st draft. We are looking to advertise, recruit and appoint a Project Manager with
	the right skills, experience and passion. We want the best person for the role so it will be an openly contestable and advertised position.

Regional Economic Development Strategies (Hawkes Bay and Tairawhiti) ~ Tātau Tātau is observing a developing trend for the Wairoa District treated as only a fringe interest in both regional strategies where meaningful and positive outcomes or tangible results, from our persoective, is absent or difficult to se. We will engage directly with the Crown, OTS, government agencies and local government on this and also leverage a more equitable result through our SERS (Social Economic Revitalisation Strategy) in the Deed of Settlement.

<u>Don't re-invent the Wheel, Learn quickly from others?</u> ~ We are grateful for Richard Brooking coming home to Wairoa and sharing his wealth of experience' knowledge and wisdom with trustees. Some of us know Richard's connection with Te Wairoa through his Mum, Reverend Pare Healey *nee Munro* from Whakakī-Nui-ā-Rua. Our engagement team have more whanaunga and PSGE's who are prepared and willing to share, advise and support our success pathway ahead. *Ehara taku toa i te toa takitahi, engari ko te toa takitini.*

Nā mātau,

Tātau Tātau o Te Wairoa Trustees
