**TĀTAU TĀTAU**  
o Te Wairoa

E te tī, e te tā tāhuri mai wā koutou nā tāringa whakarongo. Ānika rā te mihi manahau kia rere atu ai ki ngā maunga hī, ngā awaawa teretere iho ai ki te whanganui o Ruawhāro e. Ko mātau, ko koutou, ko rātau, ko Tātau Tātau e. Tihei Mauri ora!

He kupu whakataki ~ Tungia te ururua, kia tupu whakaritorito te tupu o te harakeke. Set fire to the scrub that the flax plants may shoot forth young evergreen shoots. Meaning: Clear off the old and bad that the new and good may grow vigorously.

Short Film Release ~ Rugged & Wylde the local rapping duo from Te Wairoa have released a short film this month. Looking to collect the rangatahi view of Tātau Tātau they asked three questions of rangatahi and mature rangatahi who are still young of heart. The three questions were; What did they know about Tātau Tātau? Are there advantages to registering? And then giving their final thoughts? The short film was commissioned by the board who invite you to watch the video on the Tātau Tātau Facebook page or website.

Pā Haka ~ The Tātau Tātau kiosk was operating at the Pā Haka 2017 this year. Board members Apiata Tapine, Huia Huata and Project Manager Ropata Ainsley enjoyed watching and participating in the pride of the marae. From Nukutaurua to Maunga Haruru huri noa ki Whakapunake whakamau te matau a Māui Tikitiki-a-Taranga ki ngā tahataha a Moumoukai. The stories of the ancestors were told with passion and relish as young and old represented their marae, hapū and Iwi with pride.

Membership committees ~ The 7 kāhui are re-organising or confirming their validators to attend the registrations received over the last year since November 2016. These representatives are selected on their knowledge of whakapapa, hapū, whānau, marae and the myriad of connections between us.

Consultation Round 2 ~ The second November consultation round has been successfully completed. From the home fires of Wairoa to the deep south, back to the boundaries of Tainui to the glittering towers of Tamaki Mākaurau. An analysis will be completed for the collected thoughts and ideas from the hui participants on the two models and the independence proposal. Tātau Tātau wants to encourage the members to keep sending your thoughts and comments via the Facebook, website, and email to [contact@ttotw.iwi.nz](mailto:contact@ttotw.iwi.nz)
